Knowing that you have diabetes can have a major impact on your life. It requires you to change your diet, be physically active, keep a close watch on your medication and more. The condition can also lead to kidney failure, heart diseases, stroke, and blindness. Being diagnosed with diabetes is a life changing event, not only for you but for your loved ones as well.

To provide you financial support for conditions arising out of diabetes, we have designed Diabetic Care, a critical illness plan for people diagnosed with Type 2 diabetes.

The plan provides lump sum payment in case of Blindness, Coronary artery by-pass surgery, Heart attack, Kidney failure, Stroke or Paralysis, which may arise due to diabetes. It also offers financial assistance in case of unfortunate demise of the insured member. With Diabetic care, you can be assured of assistance, when you need it the most.

**We provide you financial security so that you can focus on your health and happiness.**
